## Testimonial from Oakville Mommies Facebook Page

Hey Mamas! Tonight, I attended an "end of the year" festival at a French elementary school in Oakville. My kids do not attend this school but my son was doing a Karate demo with his Dojo at the event. I was BLOWN AWAY at the amount of LOVE, POSITIVITY, ACCEPTANCE and IMPORTANCE OF EDUCATION and PLAY that was clearly at the heart of this school. Every corner of the school is upbeat, colourful, cheerful and positive. I do not see this energy in my children's own school (down the street) and it is very disappointing to say the least! Are there any Catholic or Public ENGLISH SPEAKING schools in Oakville that demonstrate the beautiful energy in the pictures I've posted below? Absolutely amazing! I would love ALL SCHOOLS TO BE LIKE THIS - PUBLIC, PRIVATE, CATHOLIC!! Ps. I'd totally consider sending my children to the school below but they are just not cut out for a french program, unfortunately.
